F.A.Q's

All items are on consignment:

This means you will receive **50%** of the sale price after your merchandise sells. Consignment is not cash up front, but it is a higher percentage profit than selling your clothing outright to a resale store. It is simple, profitable and safe.

Being a consignor is easy:

We take care of the tagging & hanging in order to keep the store uniform to produce a higher volume of sales for our consignors. There is a one-time fee of \$12 to consign with our store. This covers the cost of hangers, tags etc which annual resale events and other shops require you to purchase on your own. Just drop off your items in "sale-ready" condition (laundered/pressed/like-new) and we handle the rest.

Appointments are necessary to bring in your items:

In general, Spring/Summer attire is accepted March through June. Fall/Winter attire is accepted August through January. Our website will post what items and sizes we are currently taking. You can also make an appointment via our website or through email communications. Please be descriptive with your items (size/brand/style/quantity) to learn if we can sell for you! We accept regular, non-seasonal items all year long via appointment only.

You may choose how to receive payment:

\$\$ RECYCLE \$\$

You will receive a 10% discount off your entire purchase when shopping on the value of your credit.

\$\$ LET US DO THE WORK \$\$

You don't have to lift a finger and your check will appear in the mail quarterly. Checks will automatically be issued March 31st, June 30th, September 30th and December 31st to consignors' accounts with balances greater than \$10. A minimal fee of \$1 will be assessed for each check issued.

Having your items "sale-ready" will benefit you:

Customers are searching for quality. All items **MUST** be laundered, pressed, free of defects or missing pieces and be in working order. All toys **MUST** have batteries if applicable. Only name brands are accepted. Please refer to "Consignor Guidelines" if you are unsure. If items are found to be unacceptable, we reserve the right to remove them from the sales floor immediately. We will either return them to the consignor or fix the imperfection and charge a nominal fee which will be determined at the time of repair. If batteries are missing, a battery fee will be applied per piece. Please take time to inspect your items carefully and strategically. If in doubt, throw it out! Additionally, all items are required to be checked for recalls at www.cpsc.gov before brought in for consign. This is mandatory. Thank You!

Consignment terms run on a 3-month schedule:

Our purpose is to sell the great products our consignors bring to the store. However, if it's just not moving, we will have to make room for new merchandise.

CONSIGNMENT TERMS:

*Your item will have 30 days on the sales floor at full price.

*After that time, it will be marked down to 20% off for an additional 30 days.

* If applicable, the item will then be discounted to 50% of the original price for an additional 30 days.

***After this time, if the item still has not sold, we will donate the item(s) to a charitable foundation unless you prefer to remove them from the sales floor. We will notify the consignor when items are ready for donation and they will have THREE DAYS to retrieve them unless other arrangements are made. IT IS SOLELY YOUR RESPONSIBILITY TO RETRIEVE ITEMS BEFORE THEY ARE DONATED.**

(Your items are your property until they sell. Therefore, you reserve the right to remove your property at any time.)

We are committed to developing a mutually beneficial relationship and hope that your positive experiences not only bring you back every season, but also bring your family and friends!

Thank You!
